

ANTI FRAUD, BRIBERY AND CORRUPTION POLICY

1. Introduction

- 1.1 This policy sets out the requirements for the Council in relation to combating fraud, bribery, corruption and dishonest dealings within and against the council.

2. What is fraud, bribery, corruption and dishonesty

- 2.1 The Fraud Act 2006 came fully into force on 15th January 2007. There is no simple definition of fraud although the courts have provided definitions applicable to specific cases. The 2006 Act provides for a general offence of fraud with three ways of committing it, which are by:

- False representation,
- Failing to disclose information
- Abuse of position.

It creates new offences of obtaining services dishonestly and of possessing, making and supplying articles for use in frauds.

- 2.2 The Bribery Act 2010, which was implemented 1st July 2011, creating two general offences covering the offering, promising or giving of an advantage, and requesting, agreeing to receive or accepting an advantage. It also creates a new offence of failure by an organisation to prevent a bribe being paid for or on its behalf. In simple terms it is the act of taking or receiving something with the intention of influencing the recipient in some way favourable to the party providing the bribe.
- 2.3 The Council defines the term “corruption” as the giving or obtaining advantage through means which are illegitimate, immoral and or inconsistent with employees/ Councillors duties or the rights of others.
- 2.4 Dishonesty is an element of fraud and this has been judicially described as requiring knowledge by the defendant that what s/he was doing would be regarded as dishonest by honest people, although s/he should not escape a finding of dishonesty because s/he sets his or her own standards of dishonesty and does not regard as dishonest what s/he knows would be the normal standard of honest conduct.
