

Timber Groyne Maintenance Milford-on-Sea

Timber groyne works being undertaken autumn 2021
subject to suitable tide and weather conditions

Timber Groyne Maintenance Milford-on-Sea

As part of the Council's ongoing coastal maintenance programme, work is being undertaken to the timber groynes in front of the beach huts.

Works will commence at the end of October 2021 and will be undertaken over a number of weeks, depending upon suitable tides and weather conditions.

The following restrictions are likely during the works:

- Sections of the beach will be temporarily inaccessible to allow for the safe operation of machinery
- Reduced parking in Hurst Road West car park, to allow for machinery and timber storage
- The central set of beach steps will be closed, but all other access points will remain open

The Council apologises for
inconvenience caused by these works
