# Shared Ownership

Our shared ownership homes at Forest Edge offer a more affordable way to buy your own home. With a New Forest District Council shared ownership home, you buy the share you can afford and pay rent to the council on the rest. When you are ready you can then buy more shares, until you own your home outright.

Shared ownership homes are sold as leasehold, with a lease length of 990 years. Rent and service charges are applicable and will be reviewed on an annual basis. We do require a reservation fee of £500 to secure your interest in a property. All shared ownership properties will be sold on a first come first serve basis.
