PROJECT #2

TOWN CENTRE IMPROVEMENTS - TOTTON

Increase the Totton town centre offer by making improvements to existing infrastructure, and introducing new initiatives

AT A GLANCE

- Increase town centre offer
- Delivered by Totton and Eling Town Council. Contact details, Susan Cutler, susan.cutler@tottoneling-tc.gov.uk 02380 863138
- £136,200 budget allocated

AIM

To improve the popularity of Totton Town centre by implementing proposals identified in discussions with local businesses and residents through an engagement programme undertaken by consultants Feria in 2022.

ACTIVITIES

- Improvements to the war memorial, including making it more accessible.
- Improving the arts performance area to facilitate performances by both groups and individuals.
- Introducing a human sundial.
- Providing new benches and undertaking pond, rockery and waterfall improvements within Testvale Park.
- Offering new notice boards.
- Providing equipment for the play area.
- Introducing a new town centre market.

Funding received for both planned and completed projects is helping to transform this area into a unique and vibrant market town. The much needed regeneration projects can be enjoyed by all generations and greatly support the journey to make Totton and Eling a better place to live, work and visit.
