## PROJECT #3

### ELECTRIC VEHICLE CHARGING POINTS

Appletree Court, Lyndhurst

#### AT A GLANCE

- Provision of Electric Vehicle charging points in Lyndhurst for visitors to the civic and town centres.
- Delivered by New Forest District Council. Contact details Roxie King - roxanne.king@nfdc.gov.uk - Tel:+442380285988
- £72,000 budget.

#### AIM

To increase the availability of electric vehicle charging points to support an increased number of 'green' visits to the New Forest and to meet the district's wider climate and air quality ambitions.

#### PROPOSED OUTCOME

- The project will lead to additional charging points serving visitors to Appletree Court as the Council's central offices and visitors to Lyndhurst town centre
- It is hoped that the provision of these charging points will encourage more trips by low emission vehicles, reducing air and noise pollution in the district
